

Curriculum Vitae

I would like to make a difference in the world of flying disc.

Of course I give money to charity and I work to have a good life, but there is a piece I do not have. I want the world to see how great the world of flying disc is.

I have been very active in the Frisbee world as you can guess. 1985 was the year when I started to play Frisbee and 1987 I co-started our team and club. Ever since have I always been involved in the sport. I love it and it is because the nature of it.

In 2003 I got awarded the best athlete in my county. 2001 and 2008 I received a scholarship for best athlete in Bollnas.

1985 Started to play flying disc sports, 12 years old.

I like to travel in Sweden and abroad. Many times have I been in the US to compete.

Spain, Australia, Hungary, Germany, Norway, Russia, Malaysia, Philippines, India, England, Scotland are some of the lovely countries I have been to. For over 10 years I have been diving every now and then.

I know English and Swedish but my Spanish needs to improve. I studied Spanish in high school for 2 years but I have just picked it up again.

The Swedish Frisbee Sport Federation board of executives considers it a privilege to nominate Tomas Burvall for the position of WFDF Board Overall Committee Chair.

Tomas represents the Bollnas club BOGUS and has been active in both BOGUS and the Swedish Frisbee Sport Federation committees for a long period of time. He is a leader and a true representative of the motto "For the players, by the players".

Sincerely yours,

Peter Lundmark
