

Prof. Fumio Morooka

WFDF Elections 2016 – Candidate Statement

I'm Fumio Morooka(Nick Name : MORO), Present WFDF Board Member, President of Asian Flying Disc Federation(AFDF) and President of Japan Flying Disc Association. Last 36 years I have taught over 24,000 students and over 750 school P.E. teachers Flying Disc sports. I experienced Tournament Director for WUGC1992 Utsunomiya Technical Delegate for World Games 2001 Akita and TOC President for WUGC2012 Sakai, Japan.

Since 1994, I have attended GAISF (General Association of International Sports Federations) & IWGA (International World Games Association) General Meetings to develop Flying Disc as Recognized Sport in International Sports Society with my own expense. I worked for WFDF to become regular member of GAISF & IWGA in 1995, and to make Flying Disc Medal Sport of World Games in 2001. In 2009, I was elected as Council Member of SportAccord (GAISF changed the name). Now, IOC and World Sport Society recognize Flying Disc as "International Sport". In 2014, I was elected as Executive Committee member of IWGA. I need WFDF Director at Large position to keep International Sport Society network for Flying Disc.

I'd like to develop Disc Sports all over the world, especially in Asia next 2 years. I'm negotiating 2020 Tokyo Olympic and Paralympic Games OC to make demonstration chance of Flying Disc in Sport Lab Program. And, I'm negotiating World Masters Games 2021 Kansai, Japan OC to make Flying Disc demonstration sport. I will do my best to make Flying Disc Medal Sport in Asian Game also.

Please give me a WFDF Board Member position again to use my international human network & experience that I have created in World Sport Society last 22 years.
