

Curriculum Vitae 2016 – Steve Taylor

I have played Guts Frisbee since 1979.

I have been on the Board of Directors of USGPA since its inception in 2003. UAGPA was formed after the GPA was dormant for quite a few years.

I am currently the president of the BOD for USGPA.

I have run over 15 Guts Frisbee tournaments including the 50th IFT which was a watershed event and really powered Guts Frisbee forward participation wise in the US.

I was also the TD for the Guts portion of WUGC2016.
