WFDF Elections 2016 – Candidate Statement

My main aim as WFDF Disc Golf Chair is to unify the flying disc interests of all members to enable disc golf to be represented in every National Association. I will work with all organisations that represent players on a national, continental and world level to enable disc golf be represented at major events, especially multi-sport games.

I will also work with sports organising associations and commercial interests to enable WFDF World Championships to develop as high as profile as possible whilst also ensuring that they also contribute to the development of disc golf nationally and internationally.

I will also ensure that WFDF represents all disc golfers of all levels of skill in every member state enabling each member to access local, national and international funding where possible.
