

WFDF 2017 elections

Candidate: Shiellah QUINTOS (CAN)

Position: Ultimate Events Sub-Committee chair

Candidate Statement:

"Since my re-entry back into international ultimate, I have experienced immense joy meeting and working with passionate members of the ultimate community from across the globe.

I am a candidate for this position since I want to help ensure that WFDF provides its members with quality events that offer a safe and welcoming environment.

I understand to be successful in this venture, you will be seeking candidates with excellent organizational, leadership and customer service skills. I am one of those candidates.

Currently, I provide frontline technical support for a software digital imaging company. We serve clients in North America, Oceania, and the UK. My strength stems from my commitment to make a difference to medical professionals and patients served by Intelrad solutions.

As a former executive director of non-profit sports associations and a current Toastmaster, I have developed organizational and networking skills, represented and promoted the organizations at industry functions and have consistently proven my ability to provide outstanding service and maintain stable client relationships.

I look forward to working in harmony with the international ultimate community!"
