

## WFDF 2017 elections

**Candidate:** Jamie Nuwer (USA)

**Position:** at-Large Board member

### *Candidate Statement:*

*"I have attended WFDF world championship events since 2006 as a player and then as a coach. In 2011 I began assisting WFDF as a medical committee chairwoman. I am interested in this position in order to improve the player experience and the medical care provided at these events. I hold this position and would like to further contribute to WFDF's development.*

*I have competed in the women's, mixed and women's masters divisions at WUCC and WUGC. I have served as the USA doctor/trainer at WJUC 2010. I coached USA girls at WJUC 2012 and USA mixed at WJUC 2013. I will be coaching again at WJUC 2014 for the USA girls.*

*At USA Ultimate I have served as a medical advisor since 2005. I created and have chaired the USA Ultimate medical committee since around 2010. Together we have made several important improvements in terms of medical staffing at events, heat-related event cancellation policies, transgender athlete policies, and anti-doping policies.*

*At the WFDF medical committee we have been working on anti-doping education, testing and policy.*

*I have attended the 2017 World Games for WFDF as Chief Medical and Safety Officer."*
