

WFDF Board of Directors Elections (2018-2019 term)  
**Candidate Statement Kate Bergeron**

My name is Kate Bergeron and I am running again to serve on the WFDF Board of Directors.

Most recently, I have been serving my third term as the Treasurer of WFDF. My desire is to continue to work within the WFDF structure to improve our governance, services to our members, and WFDF's reach in the world. Our recent recognition with the IOC has shown that disc sports continue to gain recognition on the world stage and legitimacy as high class athletic endeavors. As disc sports continue to grow, WFDF should take a leading position in keeping spirit and the competitive nature of the game both at the front of our participants minds.

I believe that I can continue to offer the Board support in the areas of fiscal responsibility, anti-doping, Spirit of the Game, and overall governance.

I have several years of experience working in the organization of Ultimate events in the United States and served on the Board of Directors of the UPA (now USA Ultimate).

As a new "Ultimate Parent", I currently have a fifteen year-old daughter that participates on her school's team and is learning the fundamentals of Ultimate. I enjoy helping with her team and have taken on the role of team photographer.

In my professional career, I manage a team of hardware and firmware engineers at Apple, Inc. Our team is responsible for designing small products and technologies that go with all of Apple's products.

If you would like to get in touch with me with any specific questions, please email me at [kate.bergeron@wfdf.org](mailto:kate.bergeron@wfdf.org).

Thank you for your support.

Kate Bergeron
