

WFDF Board of Directors Elections (2018-2019 term)

Candidate Statement Kevin Givens

I am excited as to the prospect of continuing to develop Freestyle internationally by working with the WFDF Freestyle Board, the Freestyle Players Association (FPA) and the National Governing Bodies of Flying Disc Sports.

By using the momentum from the last few years, we have developed and identified a WFDF World Freestyle Championship.

The next phase of our endeavors is developing Freestyle play in areas of the globe that are under represented.

By using my 4 decades of experience in managing Freestyle and other Flying Disc Sports I am confident of my abilities to effectively manage all tasks associated with the governance and management of Freestyle Disc play.
