

WFDF 2017 elections

Candidate: Amandine Constant (FRA)

Position: at-Large Board member

Candidate Statement:

"I'm playing Ultimate in France since 2006, SOTG awarded at the WCBU 2011 in Italy with the French Women's Team.

I'm elected at the French Flying Disc Federation (FFDF) since 2012 and European Flying Disc Federation (EFDF) since 2014 as General Secretary but I've also been actively part of different national and international projects:

- *France U17 Girls and U20 Men team manager*
- *Grenoble University Team coach*
- *Cofounder of Ultimate Federation of Mali*
- *President of Grenoble Flying Disc Club for 4 years*

As the 2024 Olympic Games are awarded to Paris as host city I believe the French contacts and role of FFDF within WFDF can be a great asset for our work contributing also to the spread of Flying Disc in the French speaking community (francophone) in the world.

I've organized numerous Mixed Ultimate tournaments lead on to being Event Director for the WFDF World Championships of Beach Ultimate (WCBU) 2017 in Royan – France.

I'm working for a Microelectronics international company as Production Operations Manager in the "real life".
